**Subject:       Review of Revised 2021 Annual Groundwater Management Zone Monitoring and System Performance Report (Revised 2021 Annual Report) and Response to Comment Letter Hamilton Sundstrand Corporation (HSC) Plant 1/2 Facility Southeast Rockford Groundwater Contamination Superfund Site, Rockford, Illinois ILD981000417**

Dear Mr. Wolski:

U.S. Environmental Protection Agency (EPA) has reviewed the above titled documents dated May 12, 2022, prepared by AECOM on behalf of HSC for the Southeast Rockford Groundwater Contamination Superfund Site, Source Area 9/10 in Rockford, Illinois. Thank you for submitting a Response to EPA Comments Letter and the Revised 2021 Annual Report. EPA finds the responses acceptable and appreciates the Revised 2021 Annual Report for the public and administrative records.

Sincerely,

A handwritten signature in black ink, reading "Jennifer Knoepfle", is positioned below the word "Sincerely,".

Jennifer Knoepfle, Ph.D., P.G.
